Exploring God's World
Each and every day
Exploring God's World
Listening to what He has to say

As we're...

(chorus)

Hiking towards heaven
Learning God's word
Hiking towards heaven
Doing what we should
Hiking towards heaven
With Jesus as our guide
Hiking towards heaven
Side by side

First graders know
That God's way is cool
We share at school
And we know the golden rule

And we're...

(chorus)
