To a penguin it feels oh, so nice! (*thumbs up*)

Everybody loves to swim (*swim*)

Form a line & dive on in...(*dive*)

It's a penguin's paradise...(*wiggle hands in air*)

-Hey fellow that's you

Remember who's who?

Penguin, where you been?

Down to the water & back again!

Wave those flippers; waddle those feet

There's a party on Penguin Street!

(back to chorus)

Some of Us Migrate

When the ceiling up here starts changing *(move hands in circles)*
We've gotta do some rearranging *(shuffle hands)*
When the cold gets colder still *(hug self & shiver)*
This is how we beat the winter chill *(continue to hug self)*

Chorus:

Some of us migrate (we relocate) *(flap arms)*
Some of us hibernate (the rest feels great) *(hands to head, like sleeping)*
We insulate, by gaining weight, *(hold arms out like you are fat)*
for the coldest time of the year!
That's the way we do it up here *(thumb to right, thumb to left)*
(That's the way we do it-that's the way we do it)

Winter sky is like a long night *(stretch out arms)*
The floor we're standing on is solid white *(point down to floor)*
When there's not a lot to eat *(shake finger, cup hand to mouth)*
And we need just a little more heat...*(hold hands out like there is a fire)*

(chorus)

Migrate
Hibernate
Insulate

That's the way we do it up here.

(over and over)
